

# STONECAP

CHARDONNAY  
ESTATE GROWN  
2019 ~ COLUMBIA VALLEY

## TASTING NOTE

“Displays fresh aromatic notes highlighted by apricot, honeydew, and orange blossom. A nicely balanced mouthfeel displays flavors of juicy tangerine, peach, and pear layered with bright lime and minerality. The flavors evolve into notes of white peach and lemon finishing clean, light, and refreshing.” -Andrew Wilson, Winemaker

## VINTAGE NOTE

The 2019 vintage was surprising and challenging, but also presented wonderful opportunities to make compelling, memorable wines. The winter was initially mild, but late and heavy snowfall delayed the start of the growing season. Spring was moderately cool and wetter than average. Summer was similarly cooler than average with few days exceeding 95°F, even during the typically hot months of July and August. Harvest began several weeks later than average, but the fruit had a sense of tension and freshness not seen in warmer years (early-ripening varieties such as Chardonnay benefited most).

## WINEMAKING

Varietal Blend: 100% Chardonnay

TA: 0.64g/100ml

PH: 3.63

Alcohol: 13.2%
