RIESLING

ESTATE GROWN
2019 ~ COLUMBIA VALLEY

TASTING NOTE

“The 2019 Riesling has a rich and expressive bouquet of lemon zest, white peach, and lightly fragrant orange blossoms. Concentrated and refreshing flavors of ripe tangerine, apricot, and passion fruit fill the palate over a bright structure with hints of minerality. The juicy and bright citrus profile evolves gracefully into a refreshing, lingering, and satisfying finish.” –Andrew Wilson, Winemaker

VINTAGE NOTE

The 2019 vintage was surprising and challenging, but also presented wonderful opportunities to make compelling, memorable wines. The winter was initially mild, but late and heavy snowfall delayed the start of the growing season. Spring was moderately cool and wetter than average. Summer was similarly cooler than average with few days exceeding 95°F, even during the typically hot months of July and August. Harvest began several weeks later than average, but the fruit had a sense of tension and freshness not seen in warmer years.
